- Forge transcontinental strategic partnerships
- Shape the future of food security in Africa
- Contribute to sustainable and smart agriculture

#### Explore the market

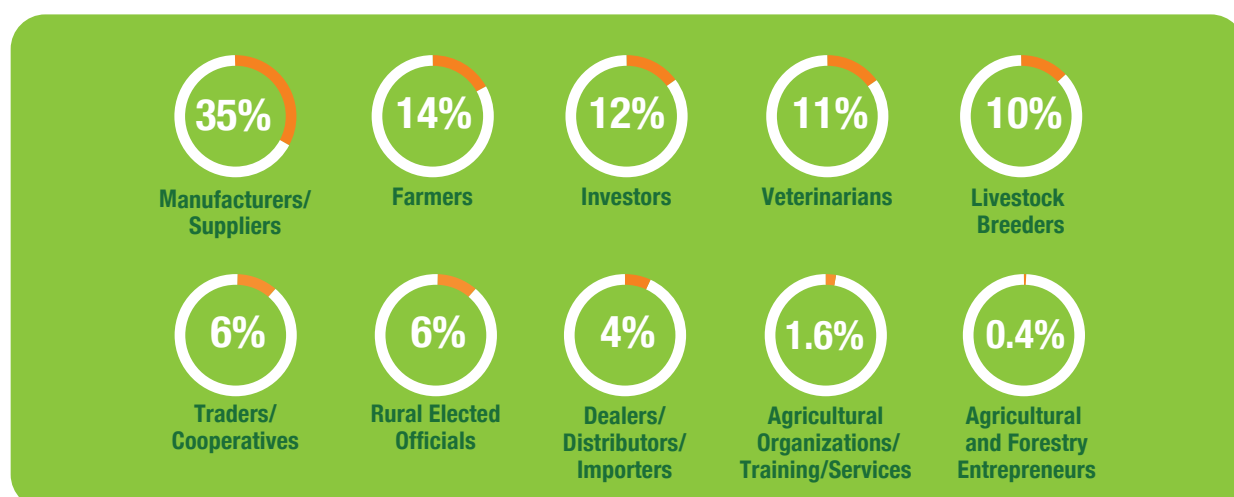

Obtain information and identify opportunities in the market of 1.3 billion consumers.

#### Meet industry leaders

Establish relationships and collaborate with key players in 39 African countries.

### Visitor Profile

## Exhibitor Testimonials

### UNIVERSAL DRIP IRRIGATION WESTERN (JORDAN)

“ We thank the SIPSA exhibition for this great opportunity. We have been participating in this exhibition every year for more than four years, and we see a constant renewal of exhibitors and visitors, including from many countries. ”

### POULTEC (BELGIUM)

“ We were able to meet many clients and are involved in important projects. ”

### CHIALI (ALGERIA)

“ There is a great influx, both in terms of the number of exhibitors and visitors, including specialists interested in innovations and traditional solutions. We intend to participate in the exhibition every year and we thank the entire team for managing this event. ”

### LBVET (ALGERIA)

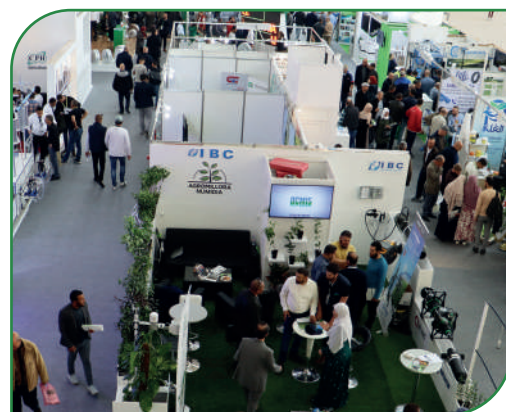

“ This exhibition is of great importance as it creates a space for meetings and exchanges between companies, producers, veterinarians, and all actors in the sector. Fortunately, the organization was a success thanks to everyone's efforts. ”

## ALGERIA AT THE HEART OF A PROMISING MARKET

Algeria is at the heart of a rapidly growing agricultural and agri-food market, driven by:

- A vast potential of arable land and natural resources
- Ambitious government rural development programs
- Massive investments in sector modernization
- A steadily increasing domestic demand

**A unique platform to meet all key players in the Algerian and regional agricultural and agri-food market.**

Same place - Same date :
