ALGERIA AT THE HEART OF A PROMISING MARKET

Algeria is at the heart of a rapidly growing agricultural and agri-food market, driven by:

- A vast potential of arable land and natural resources
- Ambitious government rural development programs
- Massive investments in sector modernization
- A steadily increasing domestic demand

A unique platform to meet all key players in the Algerian and regional agricultural and agri-food market.

Exhibitor Testimonials

KLYBECK LIFE SCIENCES (SAUDI ARABIA)

“Our presence in the Algerian market is part of a strategic Saudi-Algerian partnership. We are committed to strengthening our activities in veterinary medicine: vaccines, antibiotics, feed additives, and drinking water treatment.

We sincerely thank you and look forward to the promising prospects for cooperation between Saudi Arabia and Algeria.”

ADICALES (ALGERIA)

“We were in direct contact with the farmers and found them to be very welcoming, particularly from the young farmers.”

TIRSAM (ALGERIE)

“We warmly thank all the visitors to our stand and the organizers for their support and assistance. See you at the next edition!”

EUROFACTORY DIRECT EXPORT (ESPAGNE)

“We are delighted to be present in this wonderful country where we have received an exceptional welcome. It is a real pleasure to be able to develop commercial collaborations that unite Europe (Spain and Portugal) and Africa (Algeria).”
